ABOUT US

Who We Are

CloudPort Logistics Private Limited is a part of a multifaceted corporate house that has, since 1983, established itself as a conglomerate of individual business entities with a strong presence in every segment of logistics. We are a leading provider of end-to-end logistics services, offering a wide range of solutions designed to streamline supply chains, optimize operations, and drive growth. With a team of experienced professionals and a dedication to innovation, we have earned a reputation for delivering exceptional results and exceeding customer expectations.

OUR CORE VALUES

Our Mission

Our mission at CloudPort Logistics Private Limited is to empower businesses of all sizes to succeed in the global marketplace by providing reliable, efficient, and cost-effective logistics solutions. We are committed to building long-lasting partnerships with our clients, understanding their unique needs, and delivering customized services that drive success.

Integrity: We uphold the highest standards of ethics, transparency, and accountability in all our business dealings.

Excellence: We strive for excellence rather than perfection in everything we do, delivering superior logistics solutions while prioritizing safety, quality, and customer satisfaction. We always seek the silver lining in every situation.

Sustainability: We are committed to minimizing our environmental footprint and promoting sustainable practices throughout our operations and supply chain.

Global Network

With a presence around the world through time tested & worthy network partners, CloudPort Logistics Private Limited offers unrivaled access, ensuring seamless connections and timely shipping and deliveries & pick-ups across borders and continents.

Expertise

Our team of logistics experts brings decades of industry experience and a deep understanding of international trade regulations, customs procedures, and market dynamics. We leverage this expertise to develop tailored solutions that address the specific challenges facing each client.

Technology

At CloudPort Logistics Private Limited, we are committed to leveraging the latest technology and innovation to optimize logistics processes, improve visibility, and enhance efficiency. We harness the power of data to drive informed decision-making and deliver superior results.

LEADERSHIP CADRE

Empowering Logistics Excellence – Uniting Experience, Expertise, and Vision

CloudPort Logistics Private Limited, our leadership team is the cornerstone of our success, representing a diverse group of seasoned professionals with a wealth of collective experience in the dynamic world of logistics.

Seasoned Leadership

With a cumulative experience spanning more than seven decades, our leadership team brings a depth of knowledge and a breadth of expertise that is unparalleled in the industry.

Proven Track Record

Our leadership team's track record speaks volumes about our ability to deliver results. Our leadership team have successfully navigated through complex challenges, adapted to evolving market trends, and consistently exceeded the expectations of clients.

CLIENT-CENTRIC APPROACH

At the heart of our leadership team's philosophy is a steadfast commitment to our clients' success. We understand that every business is unique, and we take the time to listen, understand, and tailor our solutions to meet the specific needs of each client.

VISION FOR THE FUTURE

As we look to the future, our leadership team remains firmly committed to driving innovation and delivering value to our clients. With a shared vision and a relentless drive for excellence, we are poised to lead the way in shaping the future of logistics.

OUR SERVICES

CloudPort Logistics Private Limited offers a comprehensive suite of logistics services to meet the diverse needs of businesses operating in today's global marketplace. Our Exports & Imports services include:

OUR MAIN SERVICES

FREIGHT FORWARDING

LCL (Less Than Container Load), FCL (Full Container Load), Breakbulk, Project Cargoes, or OD (Odd Dimensions) & OOG (Out of Gauge) cargoes by Air Freight, Sea Freight, Road Freight, or Rail Freight, we provide reliable and efficient freight forwarding services to move your goods across borders and continents, seamlessly.

Our appointed Customs Broker(s) and their team of experts handles all aspects of customs clearance, ensuring compliance with regulations and minimizing delays and disruptions.

COURIER AND PARCEL

CloudPort Logistics Private Limited is trusted partner for seamless international courier and parcel services as well, be it Exports or Imports. With a vast network of partners and affiliates worldwide, we offer extensive coverage and reach even the most remote destinations & pick-up from the most remote origins.

WAREHOUSING AND DISTRIBUTION

With strategically located warehouses and distribution centers of our appointed Warehouse Operator(s), we offer flexible storage and distribution solutions to optimize inventory management and reduce costs.

SUPPLY CHAIN MANAGEMENT

With strategically located warehouses and distribution centers of our appointed Warehouse Operator(s), we offer flexible storage and distribution solutions to optimize inventory management and reduce costs.

OUR PAN INDIA LOGISTICS NETWORK

We have developed an unparalleled network of associate network partners across India, encompassing all key seaports and airports backed by a team of dedicated professionals. This extensive network allows us to handle your logistics requirements across any location via all seaports & airports, ensuring timely and secure delivery of goods & shipments.

Services To & From: 180+ Countries | Destinations & Origins: 1000+

Our CSR Initiatives: Driving Positive Change & Making a Difference

At CloudPort Logistics Private Limited, we understand that as a global logistics provider, our operations have wide-reaching impacts on society and the environment. That's why we are committed to conducting our business in a responsible and sustainable manner, while also making a positive difference in the communities we serve. We choose kindness over popularity. Our Corporate Social Responsibility (CSR) initiatives reflect our dedication to creating a better world for you & us and our future generations.

Why Choose Us

Reliability

Trust is the cornerstone of our business. With CloudPort Logistics Private Limited, you can rely on us for seamless logistics solutions and to deliver your shipments on time & in perfect condition, every time.

Transparency

At CloudPort Logistics Private Limited, we understand the critical importance of transparency in international logistics services. In an industry where complex networks, regulations, and processes abound, we believe that transparency, clarity and openness are essential to building trust with our clients and partners.

Customer Service

At CloudPort Logistics Private Limited, we recognize that exceptional customer service is paramount in the world of international logistics. Our commitment goes beyond merely moving goods from point A to point B; it's about providing a seamless, reliable, and personalized experience for our clients and worthy global network partners at every stage of their fruitful journey with us. We strive to deliver excellence in customer service through (1) Tailored Solutions for Diverse Needs, (2) Responsive & Accessible Support, (3) Proactive Communication & Updates, (4) Expert Guidance & Advise, (5) Continuous Improvement & Feedback, and (6) Exceptional Resolution & Accountability.

Community Engagement

- We actively engage with local communities through volunteering programs and charitable donations.
- Our logistics expertise is leveraged to support humanitarian efforts during times of crisis, as & when arises.

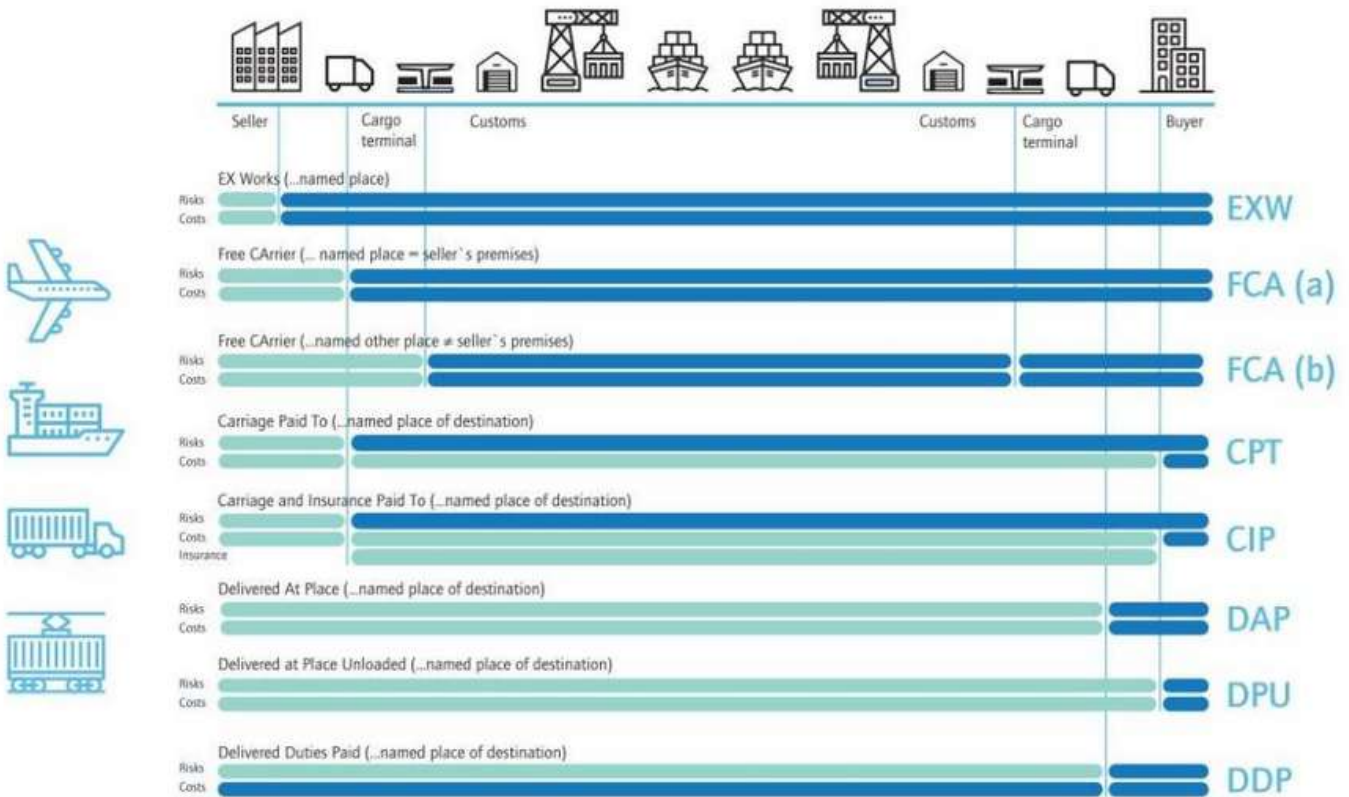

Environmental Sustainability

- We actively engage with local communities through volunteering programs and charitable donations.
- Our logistics expertise is leveraged to support humanitarian efforts during times of crisis, as & when arises.

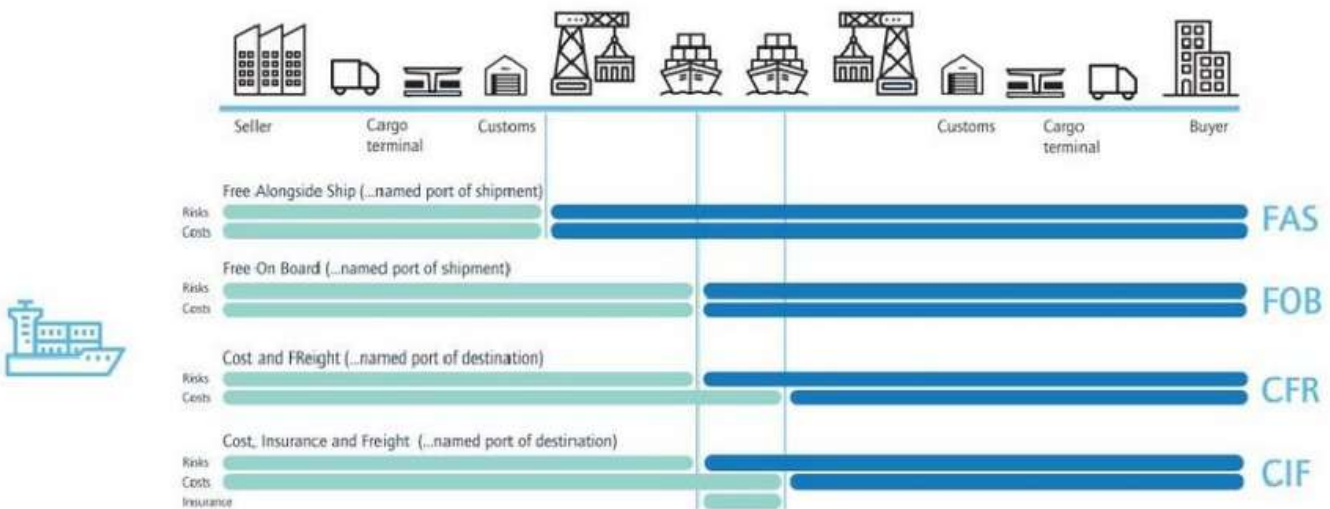

Ethical Business Practices

- We prioritize the safety and well-being of our employees, ensuring fair treatment, diversity, and inclusion in the workplace.
- Our strict compliance with international regulations and industry standards ensures ethical conduct and transparency throughout our operation.

Rules for any mode or modes of transport

Rules for Sea and Inland Waterway Transport

Risks The possibility that an event may occur which could cause loss of or damage to the goods is a "risk". Buyers and / or sellers can protect themselves against risks by transport-insurance.

Costs Covers all costs except costs of documents. Sales and purchase contracts should clearly state which costs on transfer of the goods are for account of buyer and / or seller.

Insurance Transport insurance is the responsibility of the seller.

Remark: For detailed explanation reference is made to International Chamber of Commerce (ICC) publication INCOTERMS® 2020. This document is provided to our customers for informational purposes only.
